PROFESSIONAL EXPERIENCE

- 05/25 – :** **NATIONAL CENTER FOR PUBLIC ADMINISTRATION AND GOVERNMENT (EKDDA), Alternate Member of the BoD.**
The National Center for Public Administration (EKDDA) is the national strategic Organization for the development of the human resources of Hellenic Public Administration and Local Government. The vision of EKDDA is to contribute to the development of an effective administration by ensuring high quality services for citizens. Its mission is the continuous upgrading of the human resources of the Greek Public Administration through lifelong education and certified training for a more reliable and effective State that serves the interests of the citizen. It is also about the modernization of the Greek public sector and its agencies through research, documentation and innovation.

Member of Staff Selection Committees on Economics, Management and Business Administration, Public Administration and Economics.
- 05/21 – 05/23 :** **NETWORK EVALUATION SOCIETIES EUROPE (NESE), EUROPEAN EVALUATION SOCIETY, Chair**
NESE is an open, non-profit umbrella organization that supports national evaluation societies and networks in Europe to become recognized and trusted organizations in their respective countries able to promote and advise for quality and better use of evaluation. NESE aims at strengthening the capacity of associated evaluation societies to develop sound and independent practice. It provides an arena where evaluation societies can learn and support each other to promote good evaluation practice in their countries. NESE also facilitates the foundation and growth of new evaluation societies. NESE is established within EES and its work is complementary with the work of EES. While EES is mostly working for benefits of individual evaluators, NESE works on supporting institutional capacities in European societies that work on the promotion of evaluation use and building evaluation culture.

- 05/21 – ... : HELLENIC EVALUATION SOCIETY, Member of the BoD**
HES seeks for promotion of knowledge development and project evaluation methods, programs and policies to support evaluation activities of public bodies and private sector, academia and universities, dissemination of information and studies relevant to the evaluation and development of links among Greek and European experts - evaluators. HES aims also to promote the capitalization of knowledge acquired as a result of assessments and contribute to the recognition of specific qualifications and skills required for planning and implementing evaluations.
